

# GRATEFUL DEAD GUY (All Grain)

Official NORTHERN BREWER Instructional Document

Pouring a burnished pale copper with white lacing, the aroma of Grateful Dead Guy is an extended jam of earthy, spicy hop and a malt character that expresses bread crust, toast, and caramelized sugar. The flavor brings more of the same, with clean malt and prominent hop leading to a hop-bitter finish cut with rich malt sweetness. For best results prepare a yeast starter, oxygenate the wort, and keep the fermentation temps on the cool side.
