

OATMEAL STOUT (All Grain)

Official NORTHERN BREWER Instructional Document

Who doesn't love oatmeal stout? It's impossible not to love oatmeal stout. Full-bodied with a silken texture and a gentler roast profile than their Irish and American cousins, this ebony ale is rich and substantial.

Almost hidden under strong notes of dark chocolate, figs, and light-roast coffee you'll find a subtle nutty, grainy flavor from flaked oats. A long-lasting raft of beige foam floats on the jet-colored pint and laces the glass all the way down. This stout is wonderful by itself, but if you're looking for a dessert beer pair it up against a flourless chocolate cake, truffles, or even a raspberry tart.

O.G: 1.042 READY: 6 WEEKS

Suggested fermentation schedule:

- 1-2 weeks primary; 1-2 weeks secondary;
2 weeks bottle conditioning

MASH INGREDIENTS

- 6.5 lbs English Maris Otter
- 1 lb Flaked Oats
